POINTS

Classroom **CRISIS**

You're in a tough spot. It's hard for you or your students to feel good in your classroom right now. Time to step back and plan some targeted changes so that you can love teaching and your students can love learning again!

PLAN: Identify your biggest struggles. Use the Pillar Planner to uncover strengths and weaknesses. Choose one area of struggle to work on first. Seek out professional learning or a mentor teacher to help you boost your skills. Build up each Pillar until you're back on track.

*If you're not sure where to start or you know you want a big change fast, check out the [The Classroom Management Makeover Program](#).

USE THE PILLAR PLANNER TO REFINE YOUR GOALS

The Pillar Planner

Uncover Your Strengths and Weaknesses

*For each category, rate your level of success. Which pillars need attention?

CONNECTION

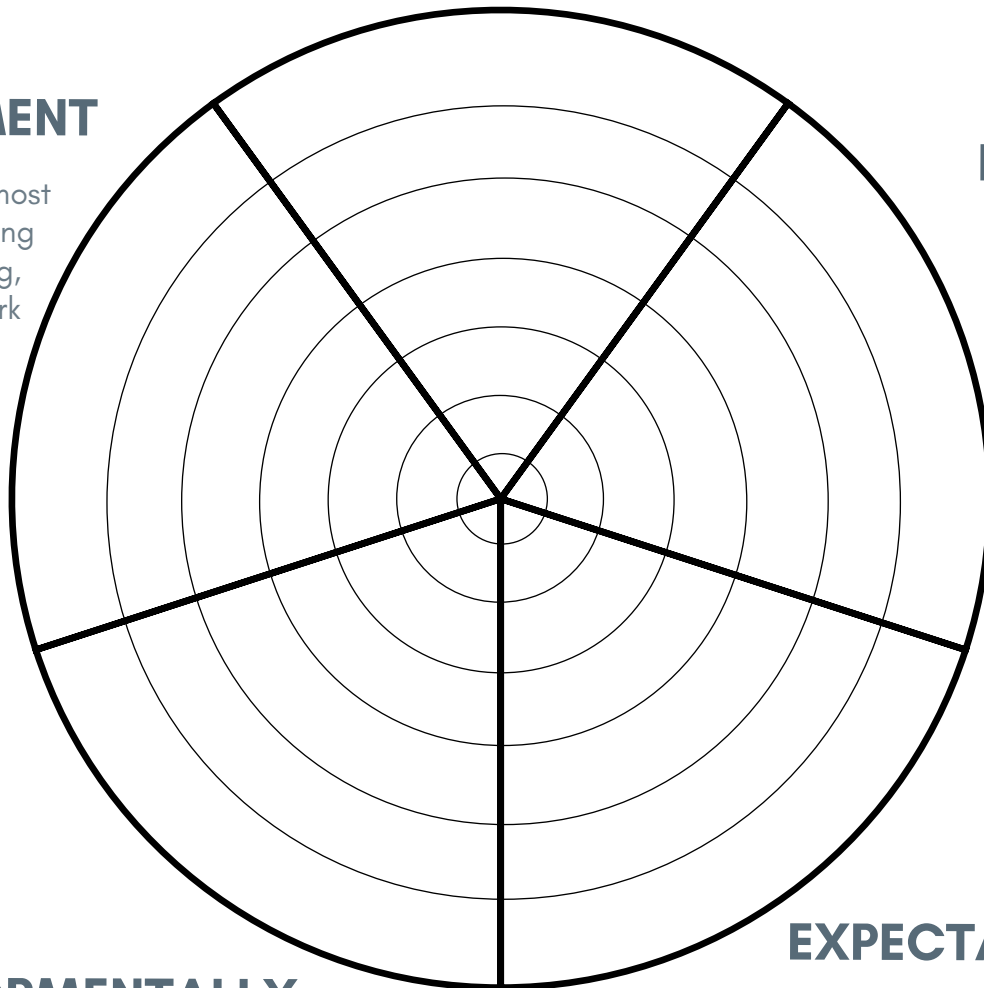

Students feel a strong, positive connection with you and other students.

ENGAGEMENT

Students spend most of their time doing highly engaging, meaningful work that includes choices and options throughout the day.

ROUTINES

Students know and follow clear and consistent routines for each part of the school day.

DEVELOPMENTALLY APPROPRIATE

The school day is filled with active learning, movement breaks, and differentiated learning goals appropriate to the needs of your students.

EXPECTATIONS

Expectations for each part of the day are reviewed and practiced often. Students have a clear vision of what they should be doing before they do it.
